

George Connell, Chair

# George Connell Lecture Series

Faculty  
of  
Medicine

University  
of  
Toronto

Substrate processing and  
mechanochemical coupling  
of the 26S proteasome – a  
fine-tuned molecular  
machine

Andy Martin  
HHMI, UC Berkeley,  
Department of Molecular & Cell Biology

Wednesday, October 25, 2017 - 4:00pm  
MSB 2172

Host: Julianne Burçoğlu (Enenkel Lab)

Department of Biochemistry
