

June 16, 2017 @ University of Toronto Mississauga

Plenary Lecture

Michelle Digman

The Henry Samueli School of Engineering, University of California, Irvine

Invited Speakers

Zoya Leonenko (University of Waterloo)

William Ryu (University of Toronto)

Vincent Tabard-Cossa (University of Ottawa)

The Ontario Networking Event (ONE) in Biophysics is an effort to bring together researchers from across Ontario with an interest in biophysical research. This event welcomes all faculty, researchers, professionals and trainees in the field of biophysics, with a special emphasis on trainees who will have the opportunity to showcase their research through posters and oral presentations.

Registration will be open until **Monday, May 8**. Event attendance is complimentary and lunch will be provided. Prizes will be awarded for the best trainee talk and poster.
