

The background image is a black and white photograph of the Princess Margaret Hospital/Hôpital building. The building features a grand classical facade with a large pediment supported by columns. In the center of the pediment is a coat of arms. Below the pediment, the words "PRINCESS MARGARET HOSPITAL/HÔPITAL" are inscribed. To the left of the entrance, a stone plaque reads "ERECTED" and to the right, it reads "A.D. 1915".
