

The background image shows the classical facade of the Princess Margaret Hospital/Hôpital. It features a large pediment with a central crest and two side crests. Below the pediment, the text "PRINCESS MARGARET HOSPITAL/HÔPITAL" is inscribed. To the left of the main entrance, a stone plaque reads "ERECTED" and to the right, another reads "A.D. 1915".

Princess Margaret Seminar Series

*“Post-mortem tissue donation programs to
accelerate metastatic cancer research”*
