

The background image is a black and white photograph of the Princess Margaret Hospital building. The building features a grand classical facade with a large pediment supported by columns. In the center of the pediment is a coat of arms. Below the pediment, a stone inscription reads "PRINCESS MARGARET HOSPITAL/HÔPITAL". To the left of this, another inscription says "ERECTED" and to the right, "A.D. 1915".
