

The background image is a black and white photograph of the Princess Margaret Hospital building. The building features a grand classical facade with a large pediment supported by columns. In the center of the pediment is a coat of arms. Below the pediment, there is a large inscription that reads "PRINCESS MARGARET HOSPITAL/HÔPITAL". To the left of this inscription, the word "ERECTED" is visible, and to the right, the date "A.D. 1915" is inscribed. The overall style is formal and institutional.
